## About Hospital

Medical Trust Hospital, a 750-bed multi-specialty acute-cum-critical care referral hospital, is one of the most well-equipped and premier hospitals in South India. Since inception in 1973, the Hospital has come a long way with the commitment and passion of over 1,500 dedicated healthcare professionals, comprising internationally acclaimed doctors/surgeons and efficient support staff, and world-class facilities. Providing personalized patient-centered treatment and care, 24/7 support and services, we uphold high ethical standards while breaking new grounds in the field of healthcare and medicine.

We have to our credit, numerous path breaking achievements in the field, which is indeed the result of our undeterred pursuit of excellence in healthcare. In continuation to our legacy of care, compassion and commitment, as established by our founder Dr. P.A Verghese, Medical Trust Hospital now has a world-class medical complex integrated with the best of all infrastructure and medical expertise, to cater to the needs of International and local patients with equal passion. All adding up to our steadfast dedication which ensures that on the road to recovery, there are no unpleasant surprises.

Medical Trust Hospital also dedicates its advanced facilities and know-how to research and development making further inroads in the field of health and medicine. The hospital runs educational institutions to impart knowledge and training in Nursing, Physiotherapy, Paramedical Sciences and Radiological Techniques, to build an efficient workforce of healthcare professionals, to adequately handle the global requirements of medical and surgical emergencies.

Today, with over five decades of experience in the field, we remain the hospital of choice for providing medical care to visiting International delegates and eminent personalities; for corporates or overseas companies to handle their emergency rescue and evacuation services; for all International Sports Events conducted in Cochin, Kerala, to provide medical assistance; among others.

**I. Introduction**

Physiotherapy Education while catering to the ever demanding need of technically qualified personnel at national and international levels will boost the career prospects of our students and will empower them with self-reliance, economic freedom and social commitment. Recognizing the shortage of adequately qualified and trained Physiotherapists and the overwhelming demand for them within the Country and abroad. “Medical Trust Institute of Medical Sciences” is envisaged as a unique combination of a world class Medical Institute and a Medi-city sprawling over twenty five lakhs square feet that will encompass all perceivable modalities of Medical Sciences with special focus on Oncology, Reproductive Medicine, Transfusion Medicine, Robotic Surgery and Medical Genetics at Irumpanam on Seaport-Airport road in Cochin. MTIMS is aimed at integrating world-class medical education and research in collaboration with the global leaders in the field and holistic health care facilities. A world class convention Centre in the campus will be an arena for connoisseur forums, and landmark events opening new avenues in healthcare and positioning the institute as a Knowledge hub for the generations to follow.

MTIMS is forging ahead with its main divisions, like College of Physiotherapy, College of Cardiovascular Technology, College of Optometry, College of Medical Laboratory Technology, School of Radiological Technology, School of Neuro Technology, School of Operation Theatre and Anesthesia Technology, School of Dialysis Technology & School of Ophthalmic Assistance. MTIMS has developed state of the art infrastructure well furnished with all modern facilities and equipment.

**Mission**

Our commitment is to provide excellence in physiotherapy education, to prepare physiotherapist who have a strong foundation in the basic and clinical sciences, and who demonstrate excellence in patient/client management, critical thinking and professionalism.

**Vision**

Excellence and innovation in education, clinical practice and research in physiotherapy, through strong academic, health care and community partnerships.

## **Objectives**

The main objective of offering the basic B P T degree programme of 4 ½ years duration and MPT programmes of 2 years duration by our Colleges are to produce graduates having specialized knowledge in human Anatomy, Physiology and Clinical Sciences which will enable them to provide comprehensive Physiotherapy care to all age groups in all situations both in the hospital and in the community. By offering a well-planned and well supervised clinical training programme, the students will be enabled and empowered to utilize the latest technology; innovations to provide quality health care as well as to conduct result-oriented studies in various settings and utilize the research findings to improve the quality of physiotherapy. The course will also enable them to communicate effectively with individuals, groups, and members of any health care team in order to promote effective interpersonal relationship and collaborative work.

**V Preparation of Rank list**

(a) Rank List : For allotment to BPT : Rank List will be prepared on the basis of marks obtained by candidates for Physics, Chemistry, Biology put together at the final year of the qualifying examination.

: For allotment to MPT: Rank List will be prepared on the basis of the aggregate marks of BPT examination marks

(b) Procedure for normalization: The marks scored by the candidates in each subject in the Qualifying Examination conducted by various Boards will be made comparable with the marks obtained by the students in the same subjects in the qualifying examination conducted by the Directorate of Higher Secondary Examination, Kerala.

Let ‘X’ be the maximum mark secured out of 100 for a subject in the state Higher Secondary Board and ‘Y’ the maximum mark secured out of 100 for the same subject in any other stream AISSCE/ISC/VHSE.

If ‘T’ is the mark secured out of 100 for the subject by a student of the other board (CBSE/ICSE/VHSE) in the year, then his/her normalized mark of the subject, say ‘Z’ equals  $(T \cdot X) / Y$  (the value to be corrected to four decimal places.)

### Illustration

Subject: Chemistry                      Year: 2024

Max. Mark out of 100 secured in the State Board =

100 Max. Mark out of 100 secured in the ISC = 99

The normalized mark of an ISC student who secured 85 out of 100 in Chemistry will be equal to  $(85 \times 100) / 99 = 85.8586$ .

In the case of students whose qualifying examination is Higher Secondary Examination conducted by the Directorate of Higher Secondary Education, Kerala, the actual marks obtained will be considered for ranking.

### **BPT- NRI Seats**

The Management is entitled to fill up to 15% of the total seats as NRI category by admitting qualified students who are dependents of NRIs. According to GO (MS)No.243/2014/H&FWD dated 06.08.2014 & Admission Supervisory Committee Orders.
